

Juneau Community Foundation's Rocinante Scholarship Fund

The [Rocinante Scholarship](#) was established at the Juneau Community Foundation by family and friends of Eric Zentner to honor his legacy of quietly assisting others over the 38 years he walked this earth.

This scholarship awards \$1,000 annually to an undergraduate single mother enrolled part-time or full-time in their first, second, third, or fourth year of undergraduate studies in any discipline at the University of Alaska Southeast.

In addition to the application form, applicants should submit a 200-300-word essay describing their life's journey to date and their academic and personal goals going forward.

Applications are accepted through October 1 of each year, and the scholarship is awarded on December 1.
